**EXPRESSION OF INTEREST:**

I wish to submit an expression of interest in joining the *Choices Flooring 2021* Van Diemen's Land Circumnavigation Cruise. Please find attached an identifying photograph of my vessel and the initial deposit of \$175. I understand that: -

- 1) For this EOI to be valid,
  - I must pay the deposit of \$175 (but NOT the full entry fee) to the RYCT whose address and payment details are given below;
  - the EOI Form must be **100% complete**.
  - I have supplied an appropriate photograph(s) of the boat to be used for assessing its seaworthiness and subsequently for identification in case of emergency.
- 2) This deposit is not refundable unless my withdrawal from the cruise satisfies a criterion contained in the VDL-C Refund Policy (available in the Cruising section of the club website <www.ryct.org.au>).
- 3) Should the VDL-C organising committee accept my vessel, my entry will be placed in a queue in the order in which the EOI and the deposit is received by the Royal YC of Tasmania at the address given below.
- 4) The first 45 boats in the queue will be accepted to join the 2021 VDL-C fleet, provided that they have fulfilled all the prerequisites as specified by the 2021 VDL-C Organising Committee.
- 5) Of the 45 boats accepted to join the 2021 VDL-C fleet, only 5 places will be allocated to sailing catamarans due to limited berthing availability and swinging room in some anchorages.
- 6) This deposit will be credited against the final entry fee of \$575 to be paid once I receive a final acceptance invoice, payable by the date notified on that invoice.
- 7) Unless I make explicit arrangements to the contrary with the VDL-C Organising Committee, future communications concerning the *Choices Flooring 2021* VDL-C will be conducted by email using the address given in this EOI form.
- 8) It is my responsibility to inform the VDL-C Organising Committee of any change to the contact details given in this EOI form.
- 9) My participation in 2021 VDL-C cruise depends on my continuing conformance with the *Cruise Safety Requirements*.
